DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Claims 1-7 have been found to be allowable since while the prior art teaches a lithographic apparatus having a patterning device including individually controllable elements for generating a desire pattern on the patterning device and an array of microlens sets for directing light beams from the patterning device onto a substrate but the prior art of record either alone or in combination, neither discloses nor makes obvious the combination of a lithographic apparatus and corresponding method wherein a first array including individually controllable elements is provided along with a second array including sets of lenses and aperture stops for forming an image from a respective one of the individually controllable elements in a first plane, and a third array including lenses for forming an image from a respective one of the second array in a second plane, and satisfying conditions, as recited in the instant claims of the present invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior Art Made of Record

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Art Unit: 2851
